About - Doug Saunders

In his book Arrival City: The Final Migration and Our Next World, Doug Saunders points out that the development of the arrival city (also known as urban village) is an important part in the urbanization process.

THE VILLAGE | TEAM, BLDG - Archlovers

The violent rise of Jim Crow in the Deep and Upper South led to the mass migration of African Americans, including ex-slaves and their free-born children, from those regions to northern metropolitan areas, including New York City. Their mass arrival coincided with the transition of the center of African-American power and demography in the city from other districts of the city to Harlem.
