Mod 8 trade terms core Flashcards | Quizlet

Employability or 'soft skills' are the building blocks of your career. The media frequently run stories on how these skills are lacking in school-leavers, graduates and/or those already in employment. Organisations spend a lot of time and money training staff, not in job specific areas but in general and basic skills.

Employability Skills | SkillsYouNeed

Employability skills are core skills and traits needed in nearly every job. These are the general skills that make someone desirable to an organization. Hiring managers almost always look for employees with these skills. Employability skills are sometimes called foundational skills or job-readiness skills.
