The Ford mustang has been around for over 50 years, and it's one of our favorite vehicles to work on. The 2005-2014 (S197) seats are so great we carry brackets to install them in the 1994-2004 (SN95). We regularly get 1994-2004 Mustang seats and newer, and we're more than happy to help you find seats to fabricate in to your older mustang.
