Then I have the students make fraction pieces with whole sheets of paper. I first have them get a piece of white paper (8.5 x 11) and then they write "Whole" on the middle. Then we take another colored sheet (any color) and fold that sheet in $\frac{1}{2}$ and we write $\frac{1}{2}$ on the sheet. We do this for all the fractions and then I introduce fraction strips. I have them show me various fractions with their fraction pieces or strips.
