Here is an updated version of the sdomain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

When I was a kid, it meant no school. As an adult, it means the sweltering sunny days I love so much. For the past few years it's also meant I can expect a new release from one of my favorite horror authors, Christopher Ransom. This year is no exception! Ransom's latest, The Orphan, is due out August 15 from Sphere (UK only).
